Output Screen

The screenshot displays the SAP 'exam program' output screen. The interface includes a menu bar (Program, Edit, Goto, System, Help) and a title bar (exam program). Below the menu bar, there is a search bar and a 'Save as Variant...' button. The main area shows a list of test data with columns for line number, description, and location. The data is as follows:

Line	Description	Location
22	PQR Limited	Aurangabad
21	INTERDEV TECHNOLOGIES LLC	HYDERABAD
23	NBCC	
24	Plant-august	
25	Test Customer - BP	Hyderabad
26	Plant-Vish-cus-VEND	bangalore
27	Plant-Vish-cus-VEND	
29	Deep Customer1	
30	SASANK	Hyder
28	Test Cust 1	Chennai

The bottom of the screen shows the Windows taskbar with the time 17:25 and date 31-10-2023.
